Terms and Conditions for Chilled Semen

1. Mare Owner whose signature appears below warrants that it is the owner or record, lessee or authorised agent of the Mare. Mare Owner agrees to provide a copy of Mare's registration papers with this Agreement.
2. Mare Owner agrees to use all semen for the Mare nominated in this Agreement and no other. Mare Owner agrees that a licensed veterinarian or competent Mare Management facility will inseminate the Mare. Veterinary certification of ability to breed may be required for mares above the age of 17 years.
3. Mare Owner agrees to pay all courier and shipping costs which may be incurred as a result of this agreement.
4. If the above mentioned mare does not settle before February 28th, 2012, SDM Quarter Horses shall refund the stallion service fee less the non-refundable booking fee and be released from further responsibility.
5. Live Foal Guarantee is based on Mare being examined by a licensed veterinarian between 40 and 50 days from the last breeding date and SDM Quarter Horses being notified of her pregnancy status at that time and a certificate from the veterinarian confirming the results of the examination. A live foal is one that will stand and nurse unassisted within 24 hours. Should the mare abort or the foal be born dead, SDM Quarter Horses is to be notified within 48 hours and a veterinarian's certificate is to be sent or the live foal guarantee is null and void. Foaling Mares are required to be diligently supervised.
6. In the event no live foal results from the breeding, Mare Owner has the option of breeding the Mare the following breeding season ONLY, on the same terms and conditions set forth herein. In lieu of this rebreeding privilege, SDM Quarter Horses may, in their sole discretion, elect to refund the stallion service fee less the booking fee. A non-refundable rebreed fee of \$250+GST will be assessed on all return breedings.
7. If after three attempts of return breedings, at discretion of SDM Quarter Horses, a veterinary certificate may be required to prove soundness of mare.
8. If the mare dies, or becomes unfit for breeding, the Mare Owner may return the following breeding season ONLY with a substitute mare approved by SDM Quarter Horses under the same terms and conditions set forth herein.
9. Unless otherwise agreed to in writing, all guarantee privileges are automatically lost and forfeited if Mare is sold or otherwise disposed of prior to the birth of the foal, or if Mare Owner fails to pay all fees and expenses.
11. Breeding certificates will be issued when SDM Quarter Horses has been notified Mare has foaled and all bills incurred by Mare Owner have been paid. Mare Owner will be solely responsible for seeking registration of the resulting foal in the appropriate breed registry/registries and will pay all associated fees or expenses. Mare Owner is responsible to pay any late fee required by the Australian Quarter Horse Association for late stallion breeding return if Mare Owner has not notified SDM Quarter Horses by the due date.
12. Should the stallion die or become permanently unfit for service, any monies paid toward stallion service fee, less non-refundable booking fee, shall be refunded to Mare Owner for any Mare that is not settled and qualifies for rebreeding privileges, thereby releasing Stallion Owner from all further responsibility.
13. Request for semen shipment must be made with minimum 48 hours notice for chilled semen, and 3 weeks for frozen. Cancellations must be made by 7:00 AM EST on the day of shipment, otherwise shipping fee will have to be charged. Airline Shipments may require even more cancellation notice depending on airline schedules. Semen will be shipped to the address provided with this contract. All address changes are the responsibility of the Mare Owner and are to be made in writing.
14. Stallion Owner makes no warranty or guarantee that semen will be available for delivery within a certain time period. While every effort will be made to ship viable semen, Stallion Owner makes no guarantee that that semen will safely reach the insemination point without losing integrity, quality or characteristics, or that shipping company or airline will deliver in a timely manner.
15. Mare Owner agrees that upon signing this contract and returning it along with the deposit for semen and a copy of the Mare's registration papers that it becomes a binding contract, subject to the terms and conditions herein.
